

Hojol,

Testimonial follows:

I would like to thank Hojol Uddin for his never failing to give up on me in what I thought was a hopeless case and was very despondent as a conviction would have had very serious consequences for me and my family. My eternal gratitude to Mr Michael Bisgrove who represented me at trial in the Magistrates Court and within 45 minutes, the judgement was "no case to answer". A fabulous result and I have NO hesitation in recommending both Hojol and Mr Bisgrove.
