Dear Sir/Madam

I am writing this letter for the attention of any senior management of Mary Monson Solicitors, it is to express my satisfaction at the level of service I received when recently purchasing services to defend myself against 2 motoring convictions. In particular I would like to express thanks and gratitude to Feroz Bhimani for dealing with my situation promptly, and Mark Jones for successfully defending my case in court in Buxton on the 31st of March 2008. The results were 2 successful defences when it seemed likely I would be convicted for at least once. Both individuals dually deserve appraisal and I think they are an asset to your company. I hope I have the pleasure of being in contact with this company again for the right reasons.

Yours faithfully
