

Dear Mary Monson,

I would like to take this opportunity to thank you and specially Feroz Bhimani of your firm for the case which he fought for me with Barrister Ms. Twite.

I would like to say from my heart that you found a very dedicated, talented and reliable solicitor for your firm under whom your firm's reputation and growth will increase a lot in future.

If unfortunately any of my friends or relative gets involve in a motoring offence I will definitely recommend your firm's name to them.

Again thanking you a Lot.

Kind Regards
